January News!

Happy New Year!!!! I am so excited to welcome your kids back to school. I hope they loved their gifts.

In December, the children learned that the true meaning of Christmas is the birth of baby Jesus. They also worked very hard and did an amazing job for their Christmas program! I am very proud of them.

This month, we will focus on the letters n, o, p, and q. We will talk about the color blue and the star shape. We will also have a special visit from Silly Safaris at the end of the month. We are excited to see the children's faces light up when they see the different animals! There will also be lots of comedy, and it's fun to see the kids laugh.

This month the Butterflies will start tracing their names and working more with scissors. I am looking forward to seeing them learn and grow this New Year!

Miss Jen
