April News!

April showers bring May flowers! I can't believe all of the flowers starting to bloom already! We seem to be enjoying some warmer weather and, as long as the rain stays away we will be able to head outside for recess.

We have spent so much time indoors that all of us will be excited to head outside, it's also great for those growing muscles! It's a joy to watch them run, climb, jump, and soak up the sunshine.

This month we will be discussing all of God's glory with the many seasonal changes around us. From the growing flowers, the many beautiful colors, and all of the sights and sounds nature has to offer. Also, while driving with your children or walking it's always fun to point out these wondrous miracles God shows us in our everyday life.

This month we continue to work on our Zoophonics letters, our colors, and our shapes. This month we will also participate in "beach" week. The kids always seem to enjoy all of the fun activities planned by the staff.

Don't forget to check the calendar for the spring break dates.

Thank you!

Miss Pam and Miss Shannon
