

Giraffes

April News!

The Giraffes had a very fun March. We were hopeful for an early Spring and we were excited to finally be outside for recess. We began our month celebrating Dr. Seuss. This has been one of our favorite weeks! This month was also filled with lots of fun science activities.

We celebrated our 100th Day with fun activities and a special snack. We worked on the letters s, t, and u. We had a very messy visit from the Leprechaun and enjoyed learning about St. Patrick.

We are nearing the end of the alphabet and will begin reviewing both letters and numbers, and will continue learning about word families.

We ended the month learning about Easter and having our Easter Egg Hunt. In April we look forward to watching caterpillars turn into butterflies and doing more science activities. Another April highlight will be Beach Week.

It has been a joy spending the year with each of these great kids! They have each developed so much this year.

Thank you for sharing your children.

Blessings,
Miss Layla and Miss Lisa
