Here's What Is Happening On Sundays in April

Have you ever been somewhere where it was so dark you couldn't even see your hand in front of your face? So much darkness that you have to shuffle slowly, stumbling your way across the room with arms stretched out, hoping, searching . . . and then finally, with the flip of a switch, LIGHT! Light changes everything.

This month, we're talking about light, but not just any light. We're talking about Jesus—the light of the world—and how when we do what Jesus says, we shine. We shine the light of Jesus! After this month, we hope every time you and your preschoolers see a lamp or a star-filled sky, you remember that people were made to shine, and we have Jesus—the light of the world—to show us how. So let's not hide our light. Let's SHINE and light up the dark so others can see their way to Jesus.

By the end of the month, we want preschoolers to answer the question, **"Who can do what Jesus says?"** with **"I can do what Jesus says."**

Our April memory verse is found in John 15:15 (NIV):

"Let your light shine."

What We're Learning Each Week

- **April 7: Jesus says to let my light shine in Matthew 5:1-2, 14-16** by showing the world that Jesus loves them and wants to be their friend.
- **April 14: When Jesus came to the earth, he gave his people an important job to do: Jesus says to tell others about Him in Matthew 28:18-20.**
- **April 21: The early church in Acts :42-47, John 15:2 & Hebrews 10:24** shows us one of the best examples of how **Jesus says to love like Him.**
- **April 28: In Philippians 2:14-16,** teaches that **I shine when I do what Jesus says** when we choose to do things with a happy heart and don't argue or complain.

Parent Cue

Each week, you may pick up a Parent Cue sheet at the Parent Resource Center with helpful information to talk to your child about what they are learning at church. You can download the Parent Cue App on your smartphone, too.
